

BUOY

MARKING LIGHTS

WITH GPS

A marking light tailored for aqua culture which meets all Norwegian coastguard demands.

Marking light GPS consist of a rotational molded shell, battery, radar reflector and LED-lights with GPS. The LED-light is standard IALA and has minimal battery consumption, and can easily be installed on the buoy with the use of an adaptor. Battery duration: 2 years.

Note: The measurements in tables may vary between different models. Sotra Anchor & Chain AS can not be hold responsible for any deviate between tables and delivered equipment.
