2.   Port information

Quay	Length	Debth
	40 mtrs	10 mtrs

3. Port security/fencing

Fences and gates are put in place when ISPS-ships come to call. The gates are equipped with code locks.

4. Quay rental

You can rent the quay for docking before or after loading/unloading. The rental price is calculated according to length of stay. You have two options regarding security;

1) The dock is locked, and a DOS-document must be written, or
2) A security-guard from Sotra Anchor & Chain must be hired.

5. Anchors and chains

Sotra Anchor & Chain is a supplier of anchors and chains to ships, the offshore industry and the aqua-cultural industry. The company keeps an extensive number of anchors, chains, shackles and accessories in stock at all times. We can change anchor and chain on vessels at any time upon request.

6. Work hours

Regular working hours for Sotra Anchor & Chain is Monday through Friday from 07:30 to 15:30.
